

SPRING SOCCER TRAINING

We are excited to announce that the FP Soccer Club is offering a few different programs to help the HP high school girls and incoming 9th grade girls with their continued development. Also, we feel that in light of what you have all experienced this past year with the distancing of the pandemic, that these programs will provide additional opportunities to build relationships and chemistry within the HP soccer programs.

HERE IS WHAT WE ARE OFFERING:

We have hired an excellent soccer trainer that has coached in college and high school who will be holding training sessions on Tuesday and Thursday evenings from 7 to 8:30pm and they will begin March 16th and will end June 10th.

For those that are interested in goalkeeping, we have training that we will be providing under the direction of an excellent GK Coach on Thursdays at 7:30 to 8:30.

Lastly, we will be offering a speed and agility session that will be held on Mondays during a similar time frame as indicated above.

All these sessions will be held at Volunteers Park in FP.

Pricing will be determined based on the number of participants. Our goal is to make this very cost effective for everyone. Payments, once determined, will be made through the FP Soccer Club.

Please let us know if your daughter is interested. Any inquiries, please email ppeterson@wiss.com.

Thank you and GO Hornets!!
